Subject: Dignitaries to JFO

Ronnie arrives in Austin either Monday or Tuesday. He does not expect to have an office at the JFO. He plans to spend most of his time with Kelly Cook at TCEQ. If he is at the JFO he will hang with McAteer and Lyssy. He plans to depart by end of week.

Kell Kelly will be arriving on Thursday. It is believed that Bill Honker will be matching his deployment to Kell Kelly's, perhaps arriving a day ahead. They will need an office to share at the JFO. Don't know for sure, but was told to expect Kell Kelly to stay a week. It is not believed that Bill Honker will stay beyond the weekend.

Not much on details I know but I hope this helps.
